AQUATIC MEDICINE SEMINAR 2010

Shark Reef Aquarium will be hosting its Annual Aquatic Medicine Seminar on February 19, 20, and 21, 2010 at Mandalay Bay Resort & Casino in Las Vegas, Nevada. The program consists of two full days of lecture on a wide-range of aquatic health and medicine topics with an emphasis on elasmobranchs. In addition there is a "wet lab" on day three that provides a "hands-on" learning experience. *Attendance for the "wet lab" is limited to 30 participants based on early registration.*
