About This Workshop

This workshop provides general information on pond construction, renovation and management.

Who Should Attend

The workshop is intended for pond owners, anyone interested in designing and building their own pond, and those who distribute information on pond management, including OSU Extension agents and others.

Arrangements

The workshop will be held at the Oregon Garden in Silverton, Oregon, located at 879 W. Main Street. Parking is available on-site. Access to Oregon Garden is free with participation to the workshop. Participants are responsible for making their own lodging arrangements. For information on lodging in the area, contact the Silverton Area Chamber of Commerce at (503) 873-5615 or visit <http://www.silvertonchamber.org>.

About Silverton

• Historic Silverton features a mural tour, country museum, Gallon House covered bridge, Cooley's iris gardens and restaurants.

• Silver Falls State Park, <http://www.oregonstateparks.org> or call 503-873-8681, Ext. 23. The 8,700 acre park is the

largest in Oregon, featuring many hiking trails and historic South Falls Lodge built in 1930s by the Civilian Conservation Corps.

• To learn more about Oregon Garden, visit their web site at <http://www.oregongarden.org> or call 877-674-2733. Features include 20 specialty gardens, woods & wetlands, and "Gordon House" designed by Frank Lloyd Wright. Tour the gardens by trail or tram and enjoy the gift shop or cafe.
